NARBERTH, PA., THURSDAY, NOVEMBER 8, 1917

PRICE TWO CENTS

## TENNIS MEDALS TO BE PRESENTED INFORMALLY

### Red Cross Fund \$37.81

Members of the Narberth Tennis Association and their friends will be interested in the following announcement:

The Board of Governors of the Narberth Tennis Association, at a meeting held Monday evening, October 29, decided by unanimous vote that in view of the present war conditions it is inadvisable to hold any formal function this year in connection with the presentation of the medals for the Patriotic Tennis Tournament recently held; and that these medals will accordingly be presented informally to the winners by the president of the club.

The board also takes pleasure in announcing that the net proceeds for the Red Cross from entrance fees and the sale of tickets in connection with the recent tournament were \$37.81.

C. L. Warwick, Secretary.

The tournament winners were:  
Singles—Owen Humphreys.  
Doubles—Kirkpatrick and Staples.  
Singles Consolation—Arthur Staples.  
Doubles Consolation—Newell and Shaw.

### NARBERTH CYCLE RACES

#### Craddock, Neal and Bans Enter Eastern States Titular Event

Three noted motorcycle racing champions of Pennsylvania, New Jersey and Delaware raced their fast machines on Saturday in the Belmont Racing Association's motorcycle races at Narberth mile track. Frank Craddock, holder of the Pennsylvania title; Neal, Delaware's crack rider, and Bans, of New Jersey, entered in the special Eastern States five-mile championship event.

Five other motorcycle races and one automobile event rounded out the program.

### WAR STAMP TAX ON PARCEL POST MAIL

Upon every parcel or package transported from one point in the United States to another by parcel post, on which the postage amounts to twenty-five cents or more there shall be paid a tax or one cent for each twenty-five cents or fractional part thereof, charge for such transportation to be paid by the consignor. No such parcel or package shall be transported until a stamp or stamps representing the act shall have been affixed thereto. (Act of October 3, 1917, Sec. 807, par. 11.)

### SEVEN POUND LIMIT ON PARCELS TO FRANCE

Parcels of Fourth Class or Domestic Parcel Post matter for and from the American Expeditionary Forces in France, on and after November 1, 1917, will be limited to seven pounds in weight instead of to twenty pounds as heretofore. Owing to the fact that the French Railway Companies, under their agreement with the French Government, restrict the weight of parcel post packages carried by them it becomes necessary to provide for the reduction in the foregoing order, by which the weight limit on a single package is reduced from twenty to seven pounds.

## LETTER OF APPRECIATION

### From Library War Council

The Library War Council, appointed by the Secretary of War, and working in conjunction with the Commission on Training Camp Activities appointed by President Wilson, has written the following letter to the president of our Civic Association, to be communicated to the contributors to the War Library Fund:

"The Library War Council acknowledges with thanks receipt of Narberth's contribution of \$70 to the Library War Fund.

"This sum has been placed to your credit, and will be remembered in appreciation of the noble work you are doing for America's soldiers and sailors.

"Cordially yours,

"D. P. Beardsley, Assistant Treas."

### XMAS BOXES OF THE SOLDIERS

Don't forget to bring your donations of jam jellies and sweets on December 4 to the Community Rooms of the Y. M. C. A. These will be sent to the Camp Meade boys for Christmas. Many are without relatives or friends, and we can cheer them this little bit.

On November 20 the club will meet in the Community Rooms of the Y. M. C. A. at 3 P. M., at which time there will be a regular business meeting which will be dispatched as quickly as possible so that the remainder of the afternoon may be devoted to the study of Parliamentary Law, under the able guidance of Mrs. Etta Haley Osgood, Parliamentarian of the Maine Federations.

#### "Circulating Library"

A circulating library is to be established within the club for the use of its members. At the end of the year these books will be devoted to some public institution or to the soldiers, as the conditions at that time warrant.

A movement is also afoot to arrange a choral society within the club. All members are invited to participate and further particulars will be given later.

## Important Conferences

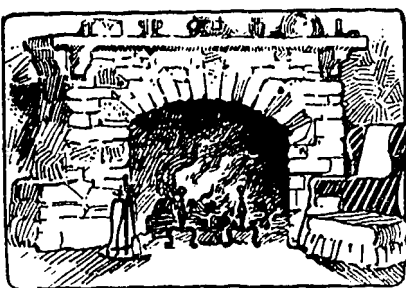

### Being Held To Perfect The Narberth Plan

The first of several conferences, having to do with the new Narberth Plan for reducing the high cost of living, is being held this week. As soon as they can be arranged other conferences will be held. In this way the Plan will be presented and explained to each of the several local groups of interests affected by the new proposition.

As soon as this necessary preliminary work is completed the Plan will be put before the public. Due notice of this important public meeting will be given in Our Town.

At each of the preliminary conferences, Mr. A. B. Ross, of Narberth, the "father of the plan," is explaining it in general, and the particular phase in which the respective groups are most interested, in detail. Following his talk the representatives of each group, are criticizing and making suggestions. In this way all the weak links in the chain will be strengthened and the entire Plan made absolutely water-tight.

Look for further news of the Narberth Plan in each week's issue of Our Town.

## THE FIRESIDE

### Betty Baxter's Gossip

Capt. M. M. Sheedy is spending a week in Narberth before his departure for France.

Mr. and Mrs. S. A. Rudolph are receiving congratulations on the birth of a daughter.

Miss Ethel R. Peyser and Miss Cole, of New York City, are spending a few days with Mr. and Mrs. Albert G. Stephenson, 319 Greyling avenue.

The Narberth Boys' Club have planned for a big entertainment on December 14, to be held in Elm Hall, at \$1.50 sharp. The admission will be fifty cents.

Mr. and Mrs. Harry Bradley, with their two children, are occupying the little bungalow next to Mr. Snedley's log cabin office, which was formerly known as the "Tea House."

Sergeant Potter, of the Royal Highlanders, a member of the famous Black Watch Regiment, addressed an audience of young people in the Methodist Church last Sunday evening that filled every available seat.

Mrs. M. M. Sheedy gave a most enjoyable card party in honor of her house guest, Miss Redmond, of Indianapolis. Those attending were Mr. and Mrs. D. Wallace Cox, Jr., Mr. and Mrs. J. R. Davis, Dr. and Mrs. W. M. Cameron and Dr. W. Clyde Decker, of Philadelphia.

Those members of the Community Club who attended the Tri-County Meeting in Cynwyd were given the pleasure of hearing a very excellent reading by one of their own members, Mrs. J. F. Donnelly. The consensus of opinion was that she appears in public too infrequently.

Mr. Charles W. Preston, of Wynnewood Manor, father of Mrs. Samuel S. Poor, died on Saturday night, November 3, in Westfield, N. J., where he was visiting his oldest daughter, Mrs. Bender. His only son, Charles W. Preston, Jr., is driving an ambulance "somewhere in France."

The butter and eggs distributed by the Community Club will be delivered only on Saturday mornings between 9 and 12. The chairman on Community Marketing would consider it a favor if those interested would phone her only on Monday mornings between 9.30 and 11.30. Narberth 395-W, when she will be pleased to quote prices and give any information which she may have.

One of the workmen who operates the small saw mill on the edge of Boulder Woods below the race track in Narberth, made a gruesome discovery on Friday. He noticed the birds making an unusual amount of noise and upon investigation, came upon

## Silver Anniversary Sermon

### By Bishop Berry

Methodists Celebrate Anniversary Day With Addresses By Dr. G. Bickley Burns, Bishop Joseph F. Berry, Hon. F. W. Stites—Local Churches Extend Greetings Wednesday Night—Informal Reception for Congregation on Friday—Music of Merit

The little church on the hill will close the week's jubilee in celebration of the twenty-fifth anniversary next Sunday with all day services.

Dr. Bickley Burns, district superintendent, will preach the morning sermon. The Reverend Bishop Joseph F. Berry, D. D., LL. D., is the anniversary speaker in the evening. The Epworth League devotional meeting is to be addressed by the Hon. Fletcher W. Stites.

An excellent musical program will be furnished by the choir with the assistance of Miss Ruth Prescott, soprano; Mr. Herman J. Bub, tenor; Miss Elveta Bliss, violinist; Miss Vera Bernice Chesley, organist.

This Wednesday evening, November 7, the local Narberth churches will unite in the celebration with greetings from the congregations of the Presbyterian Church by the Rev. John Van Ness and the Rev. Avery S. Demmy, representing the Baptists. The Friends of the vicinity are to be represented by Mr. Charles E. Hires, of Haverford, a member of the Old Merion Meeting House. Main Line Methodism will extend congratulations with addresses by the Rev. C. W. Kitto, Ardmore; the Rev. S. W. Smith, Bryn Mawr; the Rev. Edward W. Rushton, Wayne. Mrs. Joseph Barclay and Mrs. Nellie M. Denman will sing.

All members of the congregation are invited to an informal entertainment and reception to be given by the Ladies' Aid Society on Friday evening. Reminiscences by Mr. Charles E. Kreamer, president of the board of trustees, will unite present and former members in pleasant memories. Refreshments are to be served in the lecture room. Members of the church and congregation are urged to be present and enjoy a pleasant evening of good fellowship.

Members of the community are cordially invited to all services.

### SOUTHEASTERN PENNSYLVANIA CHAPTER AMERICAN RED CROSS

221 South Eighteenth Street, Philadelphia, Pa.

October 25, 1917.

NOTE—Please post in a conspicuous place in your headquarters and call to the attention of all departments. To all Branches and Auxiliaries: Millions of Surgical Dressings Wanted at Once

Major Grayson-Murphy, American Red Cross, Chief of Commission in France, cables the following:—

"Red Cross standard dressings in millions must be sent over with all possible speed. If this is not done immediately a serious calamity and national disgrace is inevitable."

"The American women who compose the Red Cross should prepare with all the enthusiasm and speed possible the dressings which are going to mean life or death to our own men."

To visualize the great need of surgical dressings one has to reflect that only a few weeks ago two and one-half millions of surgical dressings went down in one ship, and that the cases are numerous where an entire box of dressings is used on one patient.

It is imperative that women of the Red Cross in Southeastern Pennsylvania Chapter increase immediately this needed supply of surgical dressings that the front is calling for.

S. E. Penna. Chapter, A. R. C.

John B. Townsend,  
Executive Director.

## THE ARMY AND NAVY INSURANCE LAW—A PARTIAL SUMMARY

A division of military and naval insurance of the Bureau of War Risk Insurance has been organized as a part of the Treasury Department and is in active operation. A number of policies on the lives of soldiers have already been issued, aggregating nearly \$25,000,000 in insurance. The benefits of the law are available to all of the members of the United States Army, Navy and Nurses' Corps.

A short summary of some of the main features of the law follows:

Premiums for a \$10,000 policy begin with \$6.30 per month at ages 15, 16 and 17; increase to \$6.40 per month for the ages 18, 19 and 20; to \$6.50 per month for the ages 21, 22 and 23; to \$6.40 per month for the ages of 24 and 25; to \$6.70 per month for the ages of 26 and 27; to \$6.80 per month for the age of 28; to \$6.90 per month for the ages of 29 and 30; to \$7 per month for the age of 31, with progressive increases for ages above those given. The minimum amount of insurance that may be taken out is \$1000.

The compulsory allotment to a wife or children, which is separate from the insurance, shall not be less than \$15 a month, and shall not exceed one-half of a man's pay. A voluntary allotment, subject to regulations, may be as large as the insured desires, within the limits of his pay.

In addition, the Government will pay monthly allowances as follows:

Class A. In the case of a man to his wife (including a former wife divorced) and to his child or children.

(a) If there be a wife but no child, \$15.

(b) If there be a wife and one child, \$25.

(c) If there be a wife and two children, \$32.50, with \$5 per month additional for each additional child.

(d) If there be no wife but one child, \$5.

(e) If there be no wife but two children, \$12.50.

(f) If there be no wife but three children, \$20.

(g) If there be no wife but four children, \$30, with \$5 per month additional for each additional child.

Class B. In the case of a man or woman, to a grandchild, a parent, brother, or sister:

(a) If there be one parent, \$10.

(b) If there be two parents, \$20.

(c) For each grandchild, brother, sister, and additional parent, \$5.

In the case of a woman, to a child or children:

(d) If there be one child, \$5.

(e) If there be two children, \$12.50.

(f) If there be three children, \$20.

(g) If there be four children, \$30, with \$5 per month additional for each additional child.

### EDITORIAL

Aside from the service regulation which has been conducted in the past few weeks by the Woman's Council of National Defense, the U. S. Food Administration is conducting a second campaign to register women for food conservation. Notwithstanding the success of a similar campaign through the churches in July, when many women in Montgomery county registered, the accomplishment fell short of the desired end.

The campaign in this county is being conducted by the Committee of Public Safety and cards are being distributed through County Agricultural Agent A. K. Rothenberger, who is chairman of the Food Committee. At this time the cards are being distributed through the public schools and by the end of the week practically every school boy or girl will have a pledge card for the mother to sign. The pupils will also be requested to canvass those homes of the neighborhood that do not have children of school age. In this way it is expected that every mother and housewife will have an opportunity to assist the Food Administration in its efforts to shorten the war.

The women of the county are urged to sign these cards and co-operate in food conservation. Hoover says, "We ask the people of the country to voluntarily assist in conserving food so that it may not be necessary to adopt stringent measures, which of necessity would be of an autocratic nature."

In return for the pledges each signer will receive a membership window card and a home card of instructions. Those who signed cards in July and failed to receive their window cards, can secure one by applying to A. K. Rothenberger, Penn Trust Building, Norristown, Pa.

### MR. HUMPHRIES AND BOROUGH ORDINANCES

To the Editor of Our Town:—Election day will have come and gone before this communication appears in "Our Town," so it will have no bearing on the result of the competition for the office of Tax Collector of our borough.

We would, however, like to call to the attention of Mr. Humphries that, for a local law-maker of long experience, he certainly seems to have little respect for the Borough Ordinances he

so recently was chosen by his fellow townsmen to enforce.

As President of the Borough Council he certainly must have known of an Ordinance that prohibits the posting of signs on trees and poles throughout the borough. Despite this fact, he tackled his personal campaign appeals—or allowed his friends to do so—on the telegraph poles and on the trees along many streets of Narberth. By the law of the fitness of things, this seems a most unthoughtful performance, to say the least.

"Cliviers We."

### OPPORTUNITIES FOR EDUCATION AT WASHINGTON

Washington, D. C., October, 1917.—To the young man or woman who seeks to obtain a college degree and a livelihood at the same time, no city in the country offers an opportunity more attractive than that to be found in the national capital. The several universities at Washington provide evening classes with hours arranged conveniently for Government employees, who ordinarily complete their day's work at half-past four and all libraries, including the Library of Congress, are open at night.

For years thousands of young people have entered the civil service at Washington with the main idea of devoting three or four years to equipping themselves for a professional or scientific career while supporting themselves. Many of the young men live at fraternity houses, co-operatively conducted, thereby lessening the living expense and also securing a place where they can entertain their friends.

In addition to the university courses, the Young Men's Christian Association and private schools conduct evening classes in technics, languages, accountancy, stenography and typewriting, and the usual high school studies.

Notwithstanding the drafts for military service, practically all schools in Washington show an increased enrollment this year. This is due to the great influx incident to the war. Ten or twelve thousand new clerks and other employees have been appointed in the departments and this great civilian army is being added to daily. Stenographers and typewriters and mechanical draftsmen for the service generally, and what are known as schedule clerks, index and catalogue clerks, clerks qualified in statistics or accounting, and clerks qualified in business administration for the office of the Ordnance Department of the Army are in demand.

The representatives of the Federal civil service commission at the post offices in all cities are receiving numerous inquiries from persons who wish to be at the seat of Government at this time of big events and to have a part in the actual administration of the Government's great business. Women are finding in this office work an opportunity to "do their bit" in a very practical way.

Washington, D. C., Oct. 5, 1917. To the Men and Women of America: We have received a request from the French Government that we allow them to export from the United States one hundred thousand tons of sugar during the next month and probably more at a later period.

"Our own situation is that we have just sufficient sugar to maintain our normal consumption until the first of January when the new West Indian crop becomes available to all.

"Our consumption is at the rate of ninety pounds per person per year, a little under four ounces per day per person.

"The French people are on a ration of sugar equal to only twenty-one pounds per annum per person or at a rate of less than one single ounce per day per person, a little more than the weight of a silver dollar each day.

"The English and Italian rations are also not over one ounce per day.

"The French people will be entirely without sugar for over two months, if we refuse to part with enough from our stocks to keep them supplied with even this small allowance as it is not available from any other quarter.

"Sugar to even a greater amount than the French ration is a human necessity.

"If our people would reduce by one-third their purchases and consumption of sugar and of candy for other uses than preserving fruit, which we do not wish to interfere with, we can save the French situation.

"In the interest of the French people and of the loyalty we owe them to divide our food in the maintenance

of our common cause, I ask the American people to do this.

"It is unthinkable that we refuse their request.

"The matter is one of considerable seriousness and we hope you will do all you can locally to secure this end."

Herbert Hoover,  
U. S. Food Administrator.

### CUB'S WEEKLY LETTER

To the Editor of Our Town:

Most of us missed a recent interesting but hitherto unadvertised local sporting event. The scene was Wynnewood avenue and the time about ten days ago. It was a race between two high powered racing cars, a Locomobile and Marmon, owned by local sportsmen and politicians. These machines have been the admiration of the Narberth gasoline set for a long time and knowing the intense rivalry existing between the owners, it was expected that sooner or later a contest between the two would be brought about. The cars, it was generally agreed, were about evenly matched and it was felt that the true test would be that of the skill of the drivers. But what a curious turn the human mind takes at times! Although the Locomobile outdistanced its competitor by a city block, the Marmon owner has circulated the report, which he evidently believes himself, that his car was victorious. The Locomobile man, with his usual modesty isn't saying a word, and if it had not been for some of his loyal friends who wisher the truth to be known, posterity might never have known the actual facts.

Did you ever notice those fellows, over polite you might call 'em, who, when talking to a lady on the street, take off their hats and keep them off regardless of the weather? Then they wonder why they catch cold, but the biggest wonder is what the girls think of them as they keep prattling away, all the while freezing to death but thinking they are making a hit. We have one here in Narberth and he lives on Woodside avenue, but I won't name him. Perhaps you can guess who he is from this description. He is a dapper little jigger, knows all the females on Chestnut street, carries a cane to work sometimes, and wears gloves in July.

"Aren't you the same man I gave a mince pie to?" said a Narberth lady I know.

"No, ma'am, I'm not, and wot's more, the doctor says I never will be," answered the weary one.

Just because the doctor told Horace Obdyke he was run down is no reason why Horace should wind up his affairs.

Harvey Narrigan, our alert Councilman and cigar manufacturer, sez: "Just because you do your duty is no sign that you will be liked. Remember the alarm clock!"

### Y. M. C. A. DIRECTORS MEET

#### Result of the Fair—Proposed Girl Activities

The regular monthly meeting of the directors was held Monday evening last, Chairman Charles E. Kreamer presiding. The proposed new constitution and by-laws as prepared by the committee appointed for that purpose was carefully reviewed and revised, a copy being placed in the office for the examination of all members. This will be voted upon at the general meeting of the association to be held Monday, December 3, 1917. A nominating committee, consisting of Messrs. Loos, Metzgar and Opdyke was appointed.

The Board of Managers, Mr. Metzgar, chairman, submitted a plan for proposed girl activities, including competitive games such as basketball, hockey, volley ball and bowling. This plan provides for the use by the girls of the men's game room on two nights a week, to close at 9:30; also for two afternoons weekly, closing at 5 P. M. In the afternoons, girls up to the age of sixteen are to be admitted, and in the evenings, girls of sixteen and upwards.

This proposition was received favorably by the directors, and, on vote, details were left to the managers to work out properly. Notice will be given as to dues, etc.

After the disposal of routine business, Mrs. David D. Stickney, chairman of the Ladies' Auxiliary, submitted a report of the results of the fair held October 26 and 27. The gross receipts from all departments of the fair were \$768.93; total expenses, \$194.58; net proceeds, \$574.35. To this balance, the ladies of the Auxiliary added \$25.65 from their funds, and handed over to the directors the sum of \$600, specifying, however, that \$300 of this amount should be used for purchase of coal.

A very enthusiastic vote of thanks was extended to the Ladies' Auxiliary and to all other organizations

and individuals who co-operated so heartily with it, for this splendid achievement. Mrs. Stickney was complimented on the thoroughly business-like manner in which every detail was worked out by her, and on the fine spirit shown by all associated with her, through the months of preparation. The directors feel greatly encouraged by the very evident appreciation of all women's organizations in Narberth, of the value of our local Y. M. C. A. work, which will be carried on during the ensuing year with renewed vigor and confidence of success.

On Wednesday evening this church will join with the M. E. Church in celebrating their twenty-fifth anniversary.

#### Church Notes

The Communion service Sunday morning was one of the largest attended in the history of the church. The Young People's meeting was very much alive and wide awake. This work gives promise of a very successful season. At the evening worship the male quartette were at their best. It is very gratifying to know that the quartette is to be one of the regular features of our services.

All who are not regularly attending church elsewhere are invited to worship with us.

The winter work of the Sunday school is progressing very nicely and it is urged that parents see that their children attend regularly.

Bus transportation is provided by the church, busses leaving Narberth and Wynnewood stations at 10.40 on Sunday mornings.

## THE FIRESIDE

(Continued from First Page)

the lifeless body of a man with his throat cut from ear to ear. A note beside the body revealed the fact that he was Robert Patten, forty-five years old, of Woodbine avenue near Montgomery. The Lower Merion police were notified and they removed the body to his home. He leaves a wife and four children.

The Narberth Boys' Club organized over two years ago with headquarters at the Y. M. C. A. Building has now nineteen members. The club was organized as an athletic club to represent the Junior teams of Narberth, and it has been successful in its undertaking. The boys plan to have an exceptionally fine basketball schedule this season and most of the games will be played at home. The captain of this year's team is, Arthur Landis Cook, with Richard Compton as manager. The following are the officers of the club: John Longacker, president; Ernest Jenkins, vice-president; Benjamin Witherow, secretary; Jack Gilroy, treasurer.

A children's masquerade was given by Ann and Joseph Barclay, of 312 Essex avenue, on Monday evening. All enjoyed themselves immensely. Among those present were: Ella Dothard, William Dothard, Wayne Miller, William Brooks, Frank Brooks, Faith McAuliffe, Erica Crell, Sadie Simpson, Dorothy Oddyke, Bobby Dothard, Irving Dothard, Francis Lambert, Margaret Lambert, Albert Lambert, Alexander Burt, Robert Gilfillen, Edwin Gilfillen, Elwood Speakman, Armon Yocum, Bremer Yocum, Mary Yocum, Roy Smith, Margaret Koppel, Virginia Smith, Esther Kime, William Parker, Anabel Needham, Harry Sutherland and Arthur Hurst.

### ONE OF THE MANY

On Hallowe'en, when all the spooks and goblins were out to play, the many friends of Mr. and Mrs. William G. Ehrlic were seen wending their way to Narberth Park to a Yama-Yama dance. Their home was most tastefully decorated in yellow and black, and witches and black cats peeped at you from every conceivable corner. Dancing was indulged in until midnight and then supper was served. In the center of the dining table was a huge pie, from which each one drew a favor.

Among those present were: Mr. and Mrs. Ehrlic, Mr. and Mrs. H. G. Polhemus, Mr. and Mrs. Harry Bradley, Mr. and Mrs. George Rose, Mr. and Mrs. F. Dinwiddie Walker, Mr. and Mrs. W. S. Maddox, Mrs. Carroll Downes, Dr. and Mrs. R. C. Hoffman, Mr. and Mrs. W. C. Claghorn and Mr. Jack Braden, of Overbrook.

## SCHOOL NOTES

The second month of school ended on Monday. Reports will be given to pupils on Friday.

Parents will hold a round table conference with directors and teachers on the following dates:—

Thursday, November 8.

Thursday, November 15.

Thursday, November 22.

From 2.30 to 3.30. A helpful feature of the meeting will be a question box. Parents are requested to write their questions on a slip of paper and drop them into the box. The first meeting will be of particular interest to parents of children in grades one to three inclusive. The second meeting, to parents of children in grades four to six inclusive. The third meeting will be for the high school grades, seven to twelve. A personal invitation has been sent to every home, but if for any reason someone has been omitted, it is hoped this will be considered an invitation. Everybody is welcome, whether parents or not.

Mr. Lester Y. Bowman, the faithful and popular assistant janitor of our schools, has been called to the colors. He bid good-bye on Thursday morning. The pupils gave him a rousing "send-off." The faculty and girls of the eighth grade presented him with a sweater and a comfort bag. By Monday morning the principal received a letter from him written at Camp Meade. Mr. Bowman has very creditably served the Narberth School for two years. He has had the "Narberth School spirit" and his leaving was keenly felt by both faculty and student body.

Seldom do the teachers of our school find time to get together for a social evening, but Hallowe'en night afforded too good an opportunity to miss. Every member of the faculty assembled at the home of Miss Schuebel, the school secretary, where the "old Narberth-resident teachers" and Miss Schuebel entertained the new teachers, and the "out-of-towners." Some of the party arrived a little late, after prayer meeting, but not too late to see the first of the "twins" who were about to leave for another engagement. Everybody but Mr. and Mrs. Melchior were in costume, and such a time as there was! Only those who were there can realize how really like other people teachers can be, if they are well removed from the critical eye of children. Even Miss Wetherill was a squalling big baby. Well, we can't say more—our space is limited, but ask any member of the faculty for particulars. It is needless to say that those who entertained are to be congratulated on the artistic and unique decorations of the home and on the well-chosen good eats. Unlike many naughtier little boys and girls, the faculty returned to their homes in good time to be well rested for the following school day.

Children and parents who were promenading are still wondering who many of the people were who passed them in costume. The baby twins met parents and spoke to them. They even tried to persuade them who they were, but to no avail. Some people won't believe the truth!

The school is grateful to the following boys for a donation of \$7.62. This money was paid to the boys by the DeLong Company for manual work in connection with the installation of the new desks. The boys collected the money as being legitimately due them, but then turned it over to the athletic association.

### THE ARMY AND NAVY INSURANCE LAW—A PARTIAL SUMMARY

(Continued from First Page)

If the man makes an allotment to certain other dependent relatives the Government will also pay them an allowance which may equal the allotment, but this shall not be more than the difference between \$50 and the allowance paid to the wife and children.

The increased compensation in case of death runs from a minimum of \$20 monthly to a motherless child, of \$25 monthly to a childless widow, to a maximum of \$75 monthly to a widow and several children. The widowed mother may participate in the compensation.

In case of total disability the monthly compensation runs from a minimum of \$30, if the injured man has neither wife nor child living, to a maximum of \$75 if he has a wife and three or more children living, with \$10 a month extra if he has a widowed mother dependent upon him.

The maximum is enlarged still further, for when the disabled man constantly requires a nurse or attendant \$20 monthly may be added. If the disability is due to the loss of both feet, both hands, or total blindness of both eyes, or if he is helpless or permanently bedridden, \$100 monthly is granted.

The law contemplates future legislation for re-education and vocational training for the disabled. It gives them full pay and their families the same allowance as for the last month of actual service during the term of reeducation.

Secretary of the Treasury McAdoo has announced that there will be issued by the Treasury Department in the near future a circular setting forth the manner in which Liberty loan bonds of the first issue may be converted into Liberty loan bonds of the second issue.

The conversion will require the adjustment of interest and the Treasury Department has devised a method whereby this, in a large measure, may be made without the actual payment of any cash by the holder of the bond to the Government or vice versa.

It is well to remember that the date of the second issue of Liberty loan bonds is November 15 and that no conversions can be accomplished prior to that date. Opportunity, however, will be given to holders of the first Liberty loan bonds to deposit their bonds for conversion in advance of the actual date of issue of the second issue.

### NARBERTH NEEDLEWORK GUILD ANNUAL MEETING

The annual meeting of the Narberth Branch of the Needlework Guild will be held Wednesday, November 14, 2.30 P. M. in the Narberth Presbyterian Church. It will be preceded by a luncheon for the directors at 12.30. Directors are requested to bring their contributions of garments to the church before the luncheon, the lecture room being open as early as 10 o'clock for that purpose.

After the transaction of the regular business of the meeting, Miss Elizabeth H. Erskine, assistant secretary of the Pennsylvania Society for the Prevention of Cruelty to Children, will deliver an address on the "Present Condition and Future Needs of Children" in the United States. War conditions abroad have exposed many children to unusual hardships and temptations, the fathers being at the front and the mothers at work in the shops and factories. Similar conditions may arise here, and due preparation must be made to meet them. Miss Erskine formerly resided in Narberth, where she is well known, and a large audience is expected to listen to her address. All interested in the work of the Needlework Guild will be welcome at the meeting.

## COMMUNITY CLUB NOTES

The members of the Women's Community club of Narberth spent a most delightful afternoon with Miss Fryer, teacher of domestic science of the Narberth Public Schools.

The club met in the domestic science room of the school house and after a few preliminary remarks, proceeded to be instructed in the broader usage of corn meal combined with wheat flour, also the use of corn meal almost exclusively as well as the use of bran, the finished product being tested with much satisfaction and commendation by the ladies present.

Habit is not an easy thing to overcome and as the housewives have been using wheat flour almost exclusively for years past, it needs something like the lesson of to-day to make one realize what possibilities lie in the many other heretofore neglected grains and many might say are judging from the afternoon's results, more palatable than the plain wheat flour if you just know how to prepare them.

This lesson in home economics is a part of the club's war program. At the conclusion of the lesson Miss Rogers, who represented Strawbridge and Clothier, spoke briefly on the subject contained in the following letter, which I am presenting to not only the members of the club but to the other women of Narberth as well.

I recommend your consideration of the following:  
**An Opportunity For Club Women to Render Emergency Service**

Appreciative of the fact that women everywhere are loyally and efficiently assuming the added duties and responsibilities placed upon them by the war, business on all sides is turning more and more to the splendid womanhood of our country to replace the continuing lessening man power.

It is vitally necessary to the life of our nation and the success of the war, that business should continue without interruption. Business contributes heavily to the war taxes, keeps in circulation millions of dollars, and actively employs tens of thousands of men and women, each of whom is a producer or a distributor of some commodity or other directly or indirectly needed by ourselves or our Allies.

Because the large stores in Philadelphia, as well as practically all others the country over, are affected by these unusual conditions, and because they are desirous of securing selling ability of the exceptional kind,

they are submitting a mutual help plan for the busy holiday time to all Federated Clubs. The plan is this: That each club form a Part-time Mercantile Service Unit, the members of which will temporarily become members of the selling force of a large store for a few weeks before Christmas. The unquestioned patriotism of women who have within the past few months taken up duties unthought of, before we were plunged into the war, leads the large stores to suggest this as one of the duties nearest at hand.

Some of the women of Narberth may be so fortunately situated as to be able to respond. Young women of leisure, wishing to earn extra money; young married women, who because of the short hours arranged for in this plan, could still give the proper attention to their homes; still others would regard this as a business experience which might later be of value to them in the event of their being thrown upon their own resources.

The compensation will be worth while, the hours reasonable—from eleven in the morning until four-thirty in the afternoon.

If any of the women of Narberth are sufficiently interested in this appeal Mrs. C. P. Fowler, president of the Community Club, would be glad to hear from them.

The Return of the Cub

Gee, ain't it great luck to have the Cub Reporter

Back from Keokuk. He cert'ny does take long trips.

And we miss him sumpin awful. But now he's back agin.

And we'll forgive him, if he only gets out his slap

Stick, and hits out right and left.

Why, he ain't afraid of nothin' or nobody. Lit right

Into the Fire House Gang, and even pokes

Fun at Doc Hoffman's venerable jokes.

Ray Joneses Ford and Bill Cummer's hoss laff.

Why, once he saw Loos'es bat blow off, and made up

A yarn about how it curved under the train and

Lit right on his head again. He don't miss nothin'.

I tell ye, and I sure am glad to see him

With his hat cocked on one side, and his little

Charlie Chaplin musstash, his cane hooked on his

Left arm, while he's takin' notes on the back of

The grocer's bill for 1916. Things was mighty dull

While he was away, but now everybody'll be agog

'Bout who's going to get it in the neck. Go to it,

Cub. Let's see who next'll get a rub.

## HUGE BUILDINGS FOR OFFICES AT WASHINGTON

Washington, D. C., November 6, 1917.—One of the manifold problems presented by the war is that of furnishing adequate office accommodations for the thousands of additional officials, clerks, and other Federal servants who are pouring into Washington. The Government is exercising its prerogative in this direction and has commandeered conveniently located office buildings and apartment houses with a free hand. In addition, it is erecting huge temporary structures for use as offices, and in the building of these contractors are breaking time records for construction work. A building to house the six hundred officials and clerks of the Council of National Defense, containing more than 100,000 square feet of floor space, was erected and fully equipped in fifty-three days. Similar buildings nearby are for the use of the forces of the food Administration, Fuel Administration, and Army Ordnance. Work is well under way on a mammoth structure which will cover three city blocks to house the overflow of the War and Navy Departments, the contract for which calls for completion in four months.

By these methods the Government keeps in advance of its actual needs.

At the present rate of increase the usual 35,000 Federal employees in Washington will be more than doubled if the war continues another year. Workers of all kinds are being appointed, stenographers and typewriters and draftsmen for the service generally, and what are known as schedule clerks, index and catalogue clerks, clerks qualified in statistics or accounting, and clerks qualified in business administration for the Ordnance Department of the Army, being in great demand.

Representatives of the Federal Civil Service Commission at the post offices in all cities are the official recruiting agents for the great civilian army an army of a half million behind the men behind the guns.

It isn't always safe to keep knocking merely because the victim does not strike back.

**OUR TOWN** will gladly print any news item about any subject that is of interest to Narberth folks, but in order to meet the printing schedule, all "copy"—manuscripts—must reach the editor by 6 P. M. Monday each week.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.

Governor Brumbaugh has issued a proclamation making Sunday, November 4, as "Go-to-Sunday-School Day" and Thursday, November 15, as "Father and Son" Day.
